Troop campout at Camp Augustine

Dear Troop 1121 members:

Happy 100th Anniversary!! What a great time to be a part of the Scouting program. While some of the "outside" of Scouting like uniforms, merit badges and even some of the basic scout skills has changed over the last 100 years, the "inside" of Scouting like the Oath and Law, the community service and the outdoor program has always remained the same. Whether it's your older brother, your dad, your granddad or even your great granddad that were Scouts, we all share the very heart of this great program. I hope that each of you will come to appreciate what Scouting has given you as you progress through life.

Enough philosophizing and back to reality. We are

beginning our final stretch to the Jamboree. There is still much to be done and we will continue preparing for our adventure at the Troop meeting on February 21st. We will be conducting swim checks at this meeting, which is going to be held at the Eustis-Farnam High School in Eustis, NE. Be sure to bring your swim suit, a towel and your uniform.

The troop meeting will start at 1:00 pm and go until 4 or 5 pm. We will also be working on patrol flags and the emergency preparation award, to name a couple. We will also need to select a

new Assistant Senior Patrol Leader. More information on this will be announced at the meeting.

Just a reminder, if you have not turned in your Jamboree physical yet, they are due by February 10th. They need to be completed and signed by a physician and then mailed to the Scout Service Center in Grand Island.

Finally, please take a good look at the calendar of upcoming Jamboree events. As the Jamboree approaches, these meetings will become more and more important and your attendance at them will help you have a much better Jamboree experience.

Yours in Scouting,
Mr. Mowry
