Fellow Scouts:

It's time for another Jamboree Troop newsletter. That means we are another month closer to going to the Jamboree. The Scoutmasters and the Troop committee are continuing to work on the details of our adventure including lining up visits with our Senators and Congressman, purchasing troop equipment and working on the pre-jamboree tour.

Please mark this date on your calendars. Physicals will be held Sunday, January 17 at 2:30pm. They will be performed at Kearney Orthopedic and Sports Medicine, 3500 Central Avenue. I would like to thank Eagle Scout

Dr. Brent Adamson for allowing us to use his clinic. There is no cost for these physicals. Be sure to bring your physical form with you. We will be collecting them that day. You will also be receiving your first Jamboree patch and we will be taking head sizes for hats.

Speaking of physical forms, if you still have not received yours from National, you need to contact Lori at the Council Office. She will help you through the process.

Also, mark your calendars for February 21st

and April 11th. We will be holding regular Troop meetings on those dates. These will most likely be in Eustis and North Platte. More information will be given in future newsletters.

Hope you have a happy Thanksgiving. If you have time over the holidays, you might want to come up with some designs for the council patch and troop t-shirts. Remember, these are due in February.

Yours in Scouting,
Mr. Mowry

Overland Trails Council

Did You Know...

During the 2005 Jamboree, scouts consumed 13,500 boxes of cereal, 43,000 gallons of milk, 3.5 tons of hot dogs, 8.5 tons of hamburgers, 195,000 eggs and 21,000 loaves of bread.

HAPPY
THANKSGIVING

Is your troop helping you organize some fund raisers for your trip to National Jamboree? Car washes and community dinners are good ways to earn money and get your troop noticed. Or maybe contact your local Runza for a possible Boy Scout night. Whatever you do, be sure to have an adult leader fill out and send a Unit Money-Earning Application to the council for approval.

If you are interested in buying a new sleeping bag, Cabela's is offering a \$15 discount on a Eureka. Eureka has a 60 degree rating and takes up about one-fourth the space of a regular sleeping bag. Your price would be \$45. This is just an option for you, not a requirement. must be ordered through the council, so if you want to order one, let Lori know at the council office (308-382-3717). Please contact her before January 17th.
