

TROOP

JAMBOREE SCOUTS:

Well, we are certainly on our way to the National Jamboree! We now have 4 patrols, the Cougars, the Duct Tape patrol, the Gators and the CC patrol. Patrol leaders, assistant patrol leaders, patrol quartermasters and patrol scribes have been chosen. We also have our Senior Patrol selected and you can read all about these Scouts elsewhere in this newsletter. The adult leaders are looking forward to working with these outstanding Scouts.

You should all have received your physical forms from National Boy Scouts by e-mail. Be sure to complete as much of this form as you can. We are still planning to have Troop physicals, most likely in January. The exact date, time and place will be sent to you in the near future. These will be done at no charge. If you prefer to see your family physician, that would be fine. If that's the case, be sure to send your com-

plete form to the Council office by February 10th.

I have learned that there is a very good chance that a brand new merit badge, Scouting Heritage, will be offered for the first time anywhere at the Jamboree. A design for the badge has not even been made. If you are interested in working on a merit badge at the Jamboree, you could be one of the first ones in the nation, or ever, to earn this badge! What a great way to remember the 100th year anniversary National Jamboree.

Please be sure to check out the calendar of upcoming Troop activities. We have very few meetings to get our Troop ready to go and have a

successful and positive experience. Be sure to mark your calendars and plan to attend all the meetings. Our next regular Troop meeting is scheduled for February 21 and will be held (most likely) at the high school in Eustis, from 1pm to 4 or 5pm. We will be doing swim checks (so bring a swim suit and towel) and continuing to work on patrol flags as well as other Troop activities.

Our last Troop meeting will be April 11. **THIS IS A CHANGE IN DATE FROM THE ONE ANNOUNCED AT THE TROOP MEETING IN SEPTEMBER.** The place has yet to be determined, but most likely will be in North Platte.

Be sure to frequently check out the National Jamboree for the latest information and descriptions of the activities at www.bsajamboree.org.

Yours in Scouting,
Mr. Mowry

If you are interested in buying a new sleeping bag, Cabela's is offering a \$15 discount on a Eureka. Eureka has a 60 degree rating and takes up about one-fourth the space of a regular sleeping bag. Your price would be \$45. This is just an option for you, not a requirement. It must be ordered through the council, so if you want to order one, let Lori at the council office (308-382-3717) know.

Physicals- You should have received your physical forms through e-mail by now. If you haven't, please contact Lori at the scout office. (308-382-3717)
