Dear Scouts and Parents:

As you put the finishing touches on the uniforms and pack the final items into the daybacks, just a couple of reminders from the TSA:

Make Your Trip Better Using 3-1-1

3-1-1 for carry-ons = 3.4 ounce (100ml) bottle or less (by volume); 1 quart-sized, clear, plastic, zip-top bag; 1 bag per passenger placed in screening bin. One-quart bag per person limits the total liquid volume each traveler can bring. 3.4 ounce (100ml) container size is a security measure.

For more information for travelers, go to www.tsa.gov/travelers/index.shtm

****If you are in doubt, put it in the plastic bag****

Have the plastic bag handy to pull of during the security check.

More Reminders:

Please help emphasize to your Scout the seriousness of the security check. No goofing around, no joking and preferably no talking. Get you things ready for inspection, get through the scanner and pick your things back up as quickly as possible. Listen for, and pay attention to, instructions from the TSA people.

Best Scout behavior is expected at all times, but particularly at the airport and touring. Courtesy, respect for others and obedience at all times.
